

Guarda Chain Stand Sets

GUARDA Chain posts are the ideal low cost solution for cordoning off areas both internally and temporarily outdoors.

- Quickly & easily deployed.
- Corrosion proof plastic construction.
- Low centre of gravity for stability.
- Choice of three base styles.
- Four integrated chain eyes in cap.
- Highly visible post colours – Red/White or Black/Yellow

Applications: Warehouses, production areas, shipping departments, administration depts. etc.

Specification:

Post dia. 40mm
Post height: 870mm

GUARDA Chain post set consists of:

- 6 Chain posts and bases.
- 10m of M-POLY Chain.
- 10 Connecting links.
- 10 'S' hooks.

Note: We recommend a maximum 2m of plastic chain between each post.
